2011 Red Mountain Cabernet Sauvignon

Vintage Notes: 2011 is a cool vintage in Washington State. Many vineyards had frost damage during the winter. The summer was cool, with some vineyards recording their latest harvest on record. The grapes fully ripened expressing full, rich flavors with moderate acidity levels and low pHs, a measure of tartness. This combination is unusual and leads to pleasurable balance and longevity in the wines.

Tasting: Massive and decadent. Aromas of cedar, black currants, earth, chocolate and anise, with hints of roasted game. The mid-palate is very smooth but powerful. Finishes with an expansive lush, complexity. Should age beautifully over the next 10-15 years.

Vintage: 2011	pH: 3.81
AVA: Red Mountain	Acidity: 5.2 g/L
Composition: 90% Cab Sauv 10% Merlot	Alcohol: 14.1%
	Vineyard: Hedges Estate
