2011 Columbia Valley Cabernet Sauvignon

Vintage Notes: 2011 is a cool vintage in Washington State. Many vineyards had frost damage during the winter. The summer was cool, with some vineyards recording their latest harvest on record. The grapes fully ripened expressing full, rich flavors with moderate acidity levels and low pHs, a measure of tartness. This combination is unusual and leads to pleasurable balance and longevity in the wines.

Tasting Notes: “The wine is aromatic, detailed and inviting, with the lower alcohol prevalent in 2011. A rich mix of berry and cassis dives deeply into the palate, with dark chocolate highlights. The tannins are silky and polished, and the wine seems a sure bet to cellar well until the mid-2020’s.”
