2017 Petit Barone

Vintage Notes: 2017 was warm, but closer to normal. There were challenges in the spring with rain, a hot, dry July and August, and a cooler September and October. The white varieties were harvested in mid-August, showing high natural acidity and full flavor profiles. Through fermentation and barrel aging these wines are showing complexity, minerality and great acidity.

Tasting: Blackberry bush, plum and black cherry aromas sit atop notes of cedar, dark roasted coffee bean and fresh herbs on this still tightly wound offering. The palate is flavorful but remains light on its feet, with lightly grainy tannins. Give it a short decant.
