## 2017 Columbia Valley Cabernet Sauvignon

---

**Vintage Notes:** 2017 was warm, but closer to normal. There were challenges in the spring with rain, a hot, dry July and August, and a cooler September and October. The white varieties were harvested in mid-August, showing high natural acidity and full flavor profiles. Through fermentation and barrel aging these wines are showing complexity, minerality and great acidity.

**Tasting:** “Chocolate, spice and maraschino cherry aromas are followed by plush, layered, but far from over the top fruit flavors. It's unabashed in its appeal, with a lot of structure to back it up.” Sean Sullivan, *Wine Enthusiast*  
**91 Rating & Editor's Choice**

---

**Vintage:** 2017

**pH:** 3.87

**AVA:** Columbia Valley

**Acidity:** 5.18 g/L

**Composition:**
