

Barons

2022 Sauvignon Blanc

Vintage Notes: A cool, wet start to the growing season contributed to a delayed harvest and a very large crop. An unseasonably warm October both rescued the vintage and resulted in high quality.

Tasting: Barons' 2022 Sauvignon Blanc is a classic Bordeaux white blend that consists of 85% Sauvignon Blanc and 15% Semillon. This balanced, full-bodied white wine has mouth-watering acidity that will make the perfect addition to your dining room table. Pale gold in color with bright aromas of white peach, melon, pear, and white flowers greet you at the top of the glass. Followed by flavors of juicy citrus, white nectarine, grapefruit, peach, melon, and honeysuckle. The finish will leave you with a desire for another sip.
